From Principal Wheeler!

Happy New Year, families! I cannot believe we have finished our first semester of school for this year, and with such great success. We will continue working closely with our construction crews, and hope to finalize the grounds soon, so that we can host our Spring Festival using the center of campus with its fresh beautiful grass. We are also continuing work on our field, in hopes to have grass level and ready for the Spring sports season.

We have a lot of fun to look forward to with the turn of 3rd quarter. 8th grade will begin their campus tours of two area high schools as they work toward their preparation of leaving us. 5th grade will be visiting Flagstaff Lowell Observatory to continue their solar system unit, and may other classroom and field trip experiences. Students and teachers will continue to prepare for state testing to occur during the early Spring (around March).

Our basketball season will come to an end for the middle school and we will start up our 1-4 grade Jr. Basketball season (look for permission slips attached to the news letter), as well as our Spring sports. We are hoping for baseball, softball and soccer (pending our field). If you are wanting to coach, please reach out to me, Mrs. Wheeler. We are looking for volunteers to coach, run snack shack and be a lead for the season. There are many exciting things happening and we are ecstatic to share them with your children.

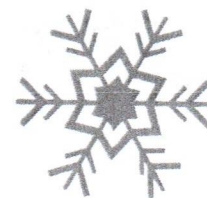

Thank you for always being your child's ACE of HEARTS! The caring adult they can count on 24/7/365! You are amazing and we appreciate you.
